I haven't heard back from Zellmer yet.

Regarding the MOU, Zellmer said the following:

Linda,

I just checked with our attorney yesterday and we haven't heard any response yet from AGC. I've asked our attorney to contact the Juneau County attorney to see if they've heard anything.

If no response, we'll contact AGC to set up a meeting to discuss.

Jim

I will let Rett, Jim, Tom, Deb and Deb know.

Linda

Cheryl – These are the two I was going to send to WDNR. These are the right reports, correct? If they are, then Chuck can use these as well.

Yes, you can share the redacted 2017 NE Juneau County Investigation Report and the Isotope report from Dr. Snow with WDNR. I have not shared these documents with Central Sands Dairy.

Sincerely,

Cheryl Burdett

Hello Jennifer and Karen:

Linda Holst has reviewed the report and it is ready to be uploaded to the website. The photo log appears to have a lot of black squares this is because WECA redacted many of the photos because they contained PII. Please let me know if you have any other questions.

Sincerely,

Hello Linda:

I have completed the third inspection report for northeast Juneau County, Wisconsin titled "2017 Northeast Juneau County Groundwater and Surface Water Sampling Investigation", I have redacted the PII information within the report. Charles Mikalian, ORC and Michelle Heger, Acting Branch Chief for Pat Kuefler have both reviewed the report and confirmed that all PII has been redacted.

I am attaching the report for your review and approval to post the report to Region 5 EPA's Northeast Juneau County, Wisconsin website along with the 2018 Northeast Juneau County Sampling Report.

Sincerely,

Cheryl Burdett
